Walter Prescott is a cyber law attorney in the Firm's Sioux Falls office. He understands the intricacies of the ever changing cyber and telecommunications legal community. When it comes to private information protection, Walter is your go to on protecting not only the interests of your company, but your employees' personal information from a cyber-attack. Whether you are located in a big city or a small town, Walter understands that a data-breach can affect any business, small or large. When it comes to a high interest claim, litigation, or regulatory investigation, Walter understands the need for urgent legal action to protect your company's interests. He protects you from the unimaginable data-breach and telecommunications attack. Walter and the Goosmann Law Firm team work hard to ensure protection for all of your cyber and communication securities, so you don't have to worry- worth it.
